CORE COMPETENCIES

Avish Parashar Productions, Inc. Specializes in training, leadership development and change management for teams. We design curriculum and programs to equip government agencies with the tools and mindset necessary to navigate change, foster innovation, and enhance communication effectiveness. Our core competencies include:

- **Leadership Training:** Leadership development programs tailored to the unique challenges and needs of government agencies.
- **Change Management:** Training leaders and teams to facilitate smooth transitions during periods of organizational change.
- **Team Building and Communication:** Cultivating cohesive and high-performing teams through interactive workshops and training sessions.
- **Innovation Workshops:** Inspiring creativity and promoting out-of-the-box thinking to drive innovation within government organizations.

DIFFERENTIATORS

We are an experiential training company. We focus on utilizing improvisation, situational training practices and role playing skill development exercises. What sets Avish Parashar Productions, Inc. Apart is our unique approach to communication, change, and innovation. We create experiences that engage participants and transfer skills in a way that involves participants both physically, mentally and emotionally. This immersion resonates long after the training is complete. Our unique approach has the following benefits:

- Interactive - Participants engage in exercise, discussion, and role-play.
- Intellectually stimulating - Because of the principles' origins in the world of improvisation, the sessions keep participants engaged from start to finish.
- Customized - Every program is tailored to the needs and objectives of the group, rather than being an "off the shelf" workshop.
